## Walton Regatta in 1934

Still an important event in the run-up to Henley Royal Regatta, Walton provided an important last practice before the Henley event.

It was well supported by the townsfolk of Walton on Thames and the surrounding area, and well respected in the rowing world.

With thanks to Ivan Pratt for researching the archive photographs and text.

## Walton and Weybridge Regatta in the 21st Century.

The Regatta remains a vibrant and well supported event with genial competition from the four local clubs who welcome crews from a wide area over the South East.

Racing now lasts all day and provides constant entertainment for locals and visitors alike.

Waterside pubs such as the Swan (associated with J.K. Jerome of 'Three men in a boat' fame) and the Anglers on the wharf enjoy increased trade and the towpath is busy with people enjoying the fine views and attractive riverside scenery and availing themselves of the excellent catering on offer near the finish.

## Walton on Thames Trading Alliance

WOTTA, as it is more commonly known, assists the Regatta through advertising and use of social media. It arranges events such as the Festival of Lights at Christmas, market days and visits from French and Italian traders. Their

volunteers arrange flower festivals, litter picks and business breakfasts and similar events. WOTTA is active in lobbying for and providing street furniture, and generally aims to make Walton a better place to live and work.

**Walton Amateur Regatta 1908**, showing the large crowds on the Mount Felix/Hillrise finish area.

From 1894 the focus of the regatta had moved downstream from Mount Pleasant to Sir Arthur Sullivan's River House. A military band was engaged to provide music (including Sullivan's own). Sir Arthur often had with him his collaborator, Dr. W.S. Gilbert, and Richard D'Oyly Carte, who owned the Savoy Hotel, staged operas at his Savoy

Theatre and who had recently built himself an island house at Weybridge, even now still very familiar to rowers from all the local clubs.

### Walton Town Regatta, 10<sup>th</sup> August 1910.

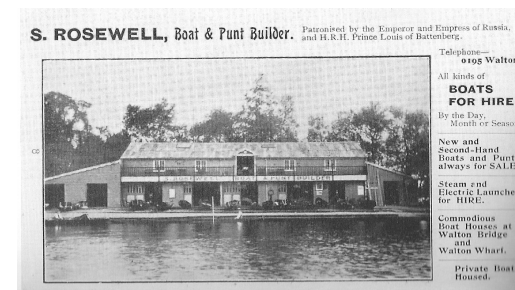

The first Walton Town Regatta is believed to have taken place in 1887. Held in late August it was open to local watermen and others not eligible for Walton Amateur Regatta (founded 1862).

In 1910 the Surrey Herald reported that: "Glorious weather and a long and interesting programme resulted in this year's Town Regatta ... proving the most enjoyable riverside festival that Walton has seen for many years."

The picture above was taken outside Rosewell's Lower Boathouse, next to the Anglers, and the skiffs and punts shown here could be hired for 1/- (5p) per hour for the first hour and 6d (2 ½ p) for each subsequent hour.

The Town Regatta lapsed after the Second World War. The reduction in the number of people working on the river and relaxation of the Amateur Rowing Association rules on amateur status removed the need for a separate regatta.

**An advertisement for Rosewells Boathouse** in the Walton Town Guide dates from the late 1890's.

The Boathouse café and boat hire now operates from the right hand side of the building.

It was in this building on 18<sup>th</sup> September 1927 that a meeting was held which decided to form Walton Rowing Club.

## Robert Moore

Robert Moore, President of the Regatta from 2007 to 2019 died in February this year.

He first joined the organising committee in 1985, later becoming Chairman. Over the years, his responsibilities on the day included Judge, Commentator and presenting prizes to the winners

Robert was a key member of Walton Rowing Club but could also be found timing, aligning or providing the commentary at rowing events from inter-club races to Henley Royal Regatta and the World Championships.

Robert was one of those people who keep the sport going. He enjoyed being a part of it and his presence, as well as everything he did, will be missed.

### RACING TIMETABLE

#### Explanation of coding in the 'event' column

J13, J14, J15, J16 and J18 indicate age the age of competitors (WJ indicates female competitors). A 'Master' is anyone over 27 years!

Competitors now gain points from processional races ('Heads') and regattas depending on how well they do. These points are added together for a crew to form a 'Crew Ranking Index' (CRI). The idea is to race similarly ranked crews in the same 'band' for more competitive racing. The familiar terms such as 'novice' are therefore no longer used.

1 is a one person boat; 2 is two people, 4 is four and 8 is eight.

'x' indicates sculling. A figure without the x indicates a rowing event (also known as sweep oar). '+' indicates a coxed boat. Thus Open 4+ indicates a coxed Four event.

#### How to read the timetable

Each race has a unique number and can be a heat or a final. Winners of a heat go through to the next round or final at the time indicated above.

Each competitor has a race number worn on the bow rower's back; they retain this number throughout the event regardless of the number of heats. E.G. number 64 remains constant through the competition.

### **Winners' Pots and trophies will be presented in the Enclosure at the following times:**

Morning Division: 13:30 – 14:30

Afternoon Division: 18:30 – 19:30

**Pots can *only* be distributed against a 'winner's slip' issued by Race Control located in the Walton RC boathouse.**
