

Walton and Weybridge Regatta - 2017

Trailer Parking

As a result of severe congestion and numerous complaints from residents in Sunbury Lane in recent years, the Regatta Committee has introduced an allocation system for trailers parking at Walton RC this year.

Only the following clubs are permitted to park trailers at **Walton RC (KT12 2JA)**.

Abingdon	Ardingly	Bewl Bridge	Christchurch
Guildford	Kings College School	Kingston Grammar	Kingston RC
Lea	Reading	Staines	Surbiton HS
Twickenham	Walbrook	Winchester College	X

Trailers may also not park on the Friday before the Regatta at Walton RC without the permission of the Regatta Entries Secretary. There will be officials at the club all day and unauthorised vehicles will be asked to move. Please also note that competitors arriving by car and those who are dropping them off are politely requested to avoid Sunbury Lane to facilitate the flow of traffic.

Clubs not on the list above (listed below), must park trailers or cars with boats at the **Elmbridge Leisure Centre**, Waterside Drive, **KT12 2JG**, as they may not be parked at the competitors and spectators' car park at the Felix Road Recreation Ground.

BTC Southampton	Eastbourne College	Eton Excelsior	Henley
Shiplake College	Thames	Thames Tradesmen	Tideway Scullers
