

Walton and Weybridge Regatta 2019 – Trailer Parking

As in 2018 the Regatta will operate an allocation system for trailers parking at Walton RC.

Only the following clubs are permitted to park trailers at Walton RC, Sunbury Lane (KT12 2JA)

Barn Elms	Burway	Christchurch	Guildford
Kingston Grammar	Kingston RC	Magdalen College	Reading RC
Staines BC	Surbiton HS	Twickenham	Walbrook
Whitgift School	Wimbledon High School	Windsor Boys School / Eton Excelsior	x

Trailers may not park on the Friday before the regatta at Walton RC without the permission of the Regatta Secretary, Graham Pointer (wildguess0205@gmail.com). There will be officials at the club all day on Friday and any unauthorised vehicles will be asked to move. Please note also that competitors arriving by car on Saturday must be dropped off away from Sunbury Lane. All day parking is available at the Dudley Road Recreation Ground.

Note also that this year we will be operating a staggered arrival system in order to improve access for local residents and facilitate the parking process for the stewards. Our experience in past years is that too many trailers have been backed up in Sunbury Lane causing delays and frustration for their drivers and complaints from residents. This year, only two trailers at a time will be allowed into Sunbury Lane by the traffic marshals at the top of the road. Regardless of which direction you approach Sunbury Lane, please make your way on arrival to Waterside Drive (KT12 2JG) where marshals will be stationed from 06.30 at the entrance to Elmbridge Leisure Centre. They will direct trailers in pairs to Sunbury Lane every 8-10 minutes so please allow some extra time and respect their request if you are asked to wait. The road is significantly wider than Sunbury Lane, is non-residential and there is room to turn in the Leisure Centre car park or at the bottom of the road.

Clubs not on the list above (listed below), must park trailers or cars with boats in Waterside Drive, near Elmbridge Leisure Centre, as they may not be parked at the competitors and spectators' car park at the Felix Road Recreation Ground.
