

Walton and Weybridge Regatta 2022 – Trailer Parking

Only the following clubs are permitted to park trailers at Walton RC, Sunbury Lane (KT12 2JA)

Ardingly	Bewl Bridge	Burway	Cygnets
Guildford	Henley	Kingston RC	Marlow
Reading RC	Gordon's School	Staines BC	Tideway Scullers
Walbrook	Whitgift School	Wimbledon High School	x

Because of several council-imposed restrictions on the day of the regatta, **the above clubs MUST bring their trailers and park on Friday 20th** at Walton RC. If you are unable to do so, we will offer the slot to one of the clubs below. Please contact Graham Pointer on 07887 561251 or email grahampointer@me.com as soon as possible to confirm you can do this. **You must then contact Robin Thomson (07956 223391) to confirm time of arrival** as the club will not be manned all day on Friday and there are barriers to prevent entry into the parking area. **Do not leave trailers in Sunbury Lane without supervision under any circumstances as they are likely to be clamped.** Please note also that competitors arriving by car on Saturday must not be dropped off in Sunbury Lane. All day parking is available at the Xcel Sports Hub, Waterside Drive, KT12 2JP or the Xcel Leisure Centre next door.

The clubs listed below and those in the table above unable to arrive at Walton RC on Friday must park trailers or cars with boats in the Xcel Sports Hub car park, Waterside Drive, KT12 2JP near Elmbridge Leisure Centre. The entry is signposted on the right about half-way down Waterside Drive. Please do not park trailers in the main leisure centre car park further down the road. There will be marshals in the car park who will direct boats to the riverside path that leads to Walton RC about 500m upstream. Boats can be left on trestles in the vicinity of the club as directed by marshals. We advise clubs to bring sufficient supporting teams to help carry bigger boats but there will be some regatta volunteers on hand to help. If you wish to arrive before 7am, please park trailers on the left-hand side of Waterside Drive.

Please call Graham Pointer on 07887 561251 (email: grahampointer@me.com) for any further clarification.
