

Walton and Weybridge Regatta 2024 – Trailer Parking and car parking

Only the following clubs are permitted to park trailers at Walton RC, Sunbury Lane (KT12 2JA)

Barn Elms	Guildford	Henley	Marlow
Molesey BC	Walbrook	Wallingford	Wimbledon High School
Refinery:	Sir William Perkin's	Putney High School	Tideway Scullers

Because of several council-imposed restrictions on the day of the regatta, **the above clubs MUST bring their trailers and park on Friday 7th June by 8pm** at Walton RC as directed. Please contact Graham Pointer on 07887 561251 or email grahampointer@me.com as soon as possible to confirm you can do this.

You must then contact either Graham Pointer or Dale Gowland (after 1800 - 07747 837600) to confirm time of arrival on the day as the club will not be manned all day on Friday and there are barriers to prevent entry into the parking areas. **Do not leave trailers in Sunbury Lane without supervision under any circumstances as they are likely to be clamped.**

Note also that any club allocated to the **refinery car park in Sunbury Lane MUST leave on Saturday evening** as the facility will not be open on Sunday morning. Clubs wishing to leave trailers in Sunbury Lane overnight on Saturday evening can do so at their own risk, but must leave by 10.30 on Sunday 9th June

The two clubs and cars listed below in the tables must park trailers or cars with boats at the end of Waterside Drive, KT12 2JP near Elmbridge Leisure Centre. Please do not park trailers in the main leisure centre car park. There will be marshals who will direct boats to the riverside path that leads to Walton RC about 500m upstream. Boats can be left on trestles in the vicinity of the club as directed by marshals. We advise clubs to bring sufficient supporting teams to help carry bigger boats. If you wish to arrive before 7am, please park trailers on the left-hand side of Waterside Drive.

Please call Graham Pointer on 07887 561251 (email: grahampointer@me.com) for any further clarification.
