The Regatta offers a wide range of events, but is limited on the number of races it can accommodate. Start time is planned for 08:30 and last race off by 18:30.

The Committee therefore reserves the right to refuse entries which are incomplete, to cancel any event with insufficient entries and to close the entry system early if capacity has been reached. In the case of what it judges to be insufficient entries for a viable event, the Committee will transfer the entry to the next higher class without reference, unless it is made clear on the entry that this is not acceptable. If a crew wishes not to be accommodated by this method, preferences must be made clear in the free-text part of the BROE entry.
